Dear Secretary Abrams:

I recently succeeded Judge Marvin Frankel as Chairman of the Committee on International Human Rights of the Association of the Bar of the City of New York.

Our Committee has received a number of disturbing reports from Argentina of threats made against leading members of the Mothers of the Plaza de Mayo and their legal representatives. I have enclosed a copy of a letter we have sent to President Bignone expressing our deep concern over these developments.

We would be grateful for any news of what steps your office and the State Department have taken in response to these reports, and for any information you might have concerning any action on the part of the Government of Argentina.

Sincerely yours,

R. Scott Greathead
